Training Overview

Welcome to the ***Developmental Screening and Strategies for Support*** training! The objective of this training is to increase knowledge and skill that directly impacts the work practitioners do with infants and young children under the age of 6 and their parents/caregivers. The training is designed to enhance knowledge and skills in recognizing and responding to concerns about a child's development. Upon meeting the requirements of the training, participants will receive a certificate of completion from IEMHP.

In this training, participants will:

- Gain a better understanding of developmental screening and its benefits in supporting children's development
- Understand, facilitate, score and interpret the Ages and Stages Questionnaire 3rd edition and the Ages and Stages Questionnaire: Social-Emotional 2nd edition
- Gain a better understanding of developmental support plans and the benefits in supporting children's development with concrete strategies
- Implement the knowledge of infant and mental health and developmental screening into their practice and how they support families of young children
- Understand and navigate the Hand in Hand resource manual and the DSP templates
- Make the appropriate decisions to support a child's development

Cost: \$450.00 CAD per person

Learner Agreement: You will be required to acknowledge a Learner Agreement that outlines the expectations of the training. Link here: https://www.imhpromotion.ca/IMHP/media/IMHP/Learner-Agreement_2022.pdf

Cancellation Policy: Refunds are applicable if the participant requests withdrawal from the training prior to participating in Part 3c: ASQ Coaching sessions (**October 28th, 2022**). If the participant does not make the request prior to **October 28th, 2022**, and does not attend the session, the fees still apply, and the participant will not be eligible for certification. The participant may request to be enrolled in Cohort 3 in 2023.
